✠ Designated Regional Medical Campus (RMC) all year designated students are responsible for securing their own housing.

❖ Psychiatry will be scheduled elsewhere until UPMC Harrisburg is ready to accept students- housing will be provided

◆ Scheduled in combination as part of the "Philadelphia Area"

-No housing is provided to any student, at any time, at sites located within commuting distance to Philadelphia.

-All travel related costs are at the expense of each student. This includes transportation to and from sites, any daily transportation, parking, tolls, gas, etc.

-Any Regional Medical Campus clerkship block may become available and assigned to a rotator during the year.
