

# Drexel and DrexelMed UserIDs

All faculty and residents in the College of Medicine are issued **two** usernames, each of which has its own separate password.

Your **Drexel University** username consists of your initials and several numbers (e.g., **abc123**). You will use this account to access the **DrexelOne Portal** (<http://one.drexel.edu>) for **library** and other resources. You can set up your Drexel University account and manage your password at <http://accounts.drexel.edu>.

Your **DrexelMed** username consists of your first initial plus the first seven letters of your last name (e.g., **jsmith**). Your DrexelMed account **e-mail** address will be your username (e.g., **jsmith@drexelmed.edu**) and you can access your e-mail and manage your password at <http://webmail.drexelmed.edu>. For assistance in setting up and managing your DrexelMed account, please call the Help Desk at (215) 762-1999.

To access most private DrexelMed **web** resources, including those on the medical education web server (<http://webcampus.drexelmed.edu>), you may use **either** your Drexel University username/password or your DrexelMed username/password.
