

**Kaiser Permanente Northern California
Away Rotations that are Considered ‘Home’ Credits**

Below is a list of Sites and Disciplines which Drexel University College of Medicine will consider a HOME rotation. These are locations with Residency Programs.

- Drexel students must follow the Kaiser guidelines for applying for any elective (most are VSLO)
- Drexel students should also notify via email Toni Villasenor (toni.villasenor@kp.org) with a copy to Dr. Seema Sidhu (seema.sidhu@kp.org) of their application to any of the sites below
- There is no guarantee that the site:
 - accepts medical students
 - has an elective in the discipline
 - will accept a specific student for a rotation.
